It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on ‘**whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school**’.

Under the [Quality of Education](#) Ofsted inspectors consider:

**Intent** - Curriculum design, coverage and appropriateness

**Implementation** - Curriculum delivery, Teaching (pedagogy) and Assessment

**Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2023.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click [HERE](#).

## Details with regard to funding

Please complete the table below.

Total amount allocated for 2022/23	£18,018
Amount spent 2022/23 and reported on by 31st July 2023.	£22,856

## Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p><b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study</b></p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	<p>30 out of 36 pupils</p> <p>84%</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, back stroke and breaststroke]?</p> <p>Please see note above</p>	<p>30 out of 36 pupils</p> <p>84%</p>
<p><b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b></p>	<p>100%</p>
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	<p>Yes/No</p>

Subject Leaders focus on improving teachers' subject, pedagogical and pedagogical content knowledge in order to enhance the teaching of the curriculum and the appropriate use of assessment.  The practice and subject knowledge of staff, including newly qualified teachers, build and improve over time.	CPD for staff- high quality PE lessons for each class for a half term each week, during Spring and Summer.  Teachers to observe CEPD specialist coaches once per term to discuss and assess children using assessment proforma.  Opportunities to attend CEPD through CSSP- for example training within the FA.	See above  £0  £0	CPD for all staff delivered by Cheshire Cricket.  Teachers observed CEPD coaches and children during the lesson to assess their class of children.  Teachers aware of the PE standards of their class.  Teachers given the opportunity to attend Sports training e.g. Tennis and Football	Ensure that the staff are given up to date CPD.  Teachers to again observe CEPD specialist coaches once a term and use the assessment proforma.  Give staff further opportunities to attend training through the CSSP.
