

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 19th January

We certainly have enjoyed some frosty weather this week! Year 6 have braved the icy wilds of the Lake District and have returned with rosy cheeks and happy faces. It sounds like they have had some wonderful adventures. A big thank you to the staff who accompanied them- they definitely deserve a lie in tomorrow! Everyone has settled well into the new term and I have really enjoyed spending time in some of the classrooms, meeting the children and sharing their work. It is such a pleasure to be part of such a calm, hardworking and nurturing school.

Meet the Headteacher – Monday 22nd January- Community Event

It was lovely to meet some of you on Monday and hear your ideas about our school. I will create another opportunity for parents, who were unable to attend to join me, to meet in the Community Room for an evening coffee. Next week, we have invited members of the wider Tattenhall community to come to a meeting at 1.30pm. Please encourage your friends, family and community members to come along, it would be lovely to meet them.

Garden Birdwatch

Next week, it is National Garden Birdwatch week. On Friday 26th January, the Eco Team will be giving out bags of bird food and bird watching charts so that families can take part in the Big Garden Birdwatch weekend. You can find out more here.. [RSPB's Big Garden Birdwatch website.](#)

Family Gardening Volunteers

Due to the success of the previous volunteer's afternoon, our two wonderful gardening volunteers; Fiona and Jenny, would like to invite children and parents to a volunteer's afternoon on Saturday 3rd February at 2pm. The area to be transformed will include; the flower beds on the left-hand side of the school entrance and the flower bed near to the greenhouse.

Litter Pickers

The Parish Council have asked me to remind you that there are litter pickers available in school for covering the park area, before or after school. They are also looking for a kind soul to cover one or two areas around the village. If anyone is interested, please contact Ann Wright at clerk@tattenhallpc.co.uk.

School Meals

Just a gentle reminder that, ordering meals in advance would really help Leeanne, our superstar cook. She had a large number of children today who had not ordered and had to do some emergency cooking at lunchtime!

A final note... In Tuesday's assembly, I introduced the children to 'The Pig of Happiness' and we now have our very own pig in school! You can watch his story here... https://www.youtube.com/watch?v=p9Vh2_rs8YI it will certainly make you smile.

Have a super weekend with your wonderful children,

Mrs Nicky Bolton
Headteacher
