TATTENHALL PARK PRIMARY SCHOOL

We respect, we enjoy, we believe.

When you need support to make the right choice...

Sometimes we do not always make the right choices - our teachers and adults in school are always there to guide us to make the **right** ones!

What happens when we make the wrong choices?

Your teacher has a plan they will follow to help you make the **right choice**. This is the plan they will follow...

STAGE 1: Your teacher will give you a **reminder** to make the right choice.

STAGE 2: Your teacher will ask you to spend a few minutes away from the class and will have a **repair conversation** to give you strategies to make the right choice.

STAGE 3: Your teacher will ask you to fill out a **think sheet** and will discuss this with you at **break or lunchtime**.

STAGE 4: Your teacher will ask you to talk about your think sheet with Mrs Bolton or Miss Comish and will also discuss your think sheet with your parents.

Teachers will usually start on Stage 1, but they can choose to start at a later stage, if they need to.

Remember lunchtime staff and TASC staff will also expect you to make the right choices and will follow this plan.
