

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 8th March

We have had a super busy week of sporting adventures; on Sunday, three of our pupils took part in the North West Ski Federation schools race in Pendle and won KS2 fastest team and fastest mixed race. We also came 5th out of 17 schools in the Chester Sports Association for netball and won the handball at Bishop Heber in the Rural Sport Partnership. Year 5 have also been busy taking to the roads with 'Just Bike'- the instructors said their attitude and behaviour was excellent.

Our Gardening Club have been busy planting potatoes and courgettes this week and we have even had a giant willow arch built in the grounds ready for our Forest School development.

A big thank you to the PTFA, who worked so hard to organise the Easter Bingo on Thursday night and to the families and teachers who attended- it was a super evening and a special mention goes to Mrs Gibson for her superb bingo calling!

Mr Milne

Mr Milne will sadly be leaving us at Easter to develop his computing business. He has been such an amazing member of our team and I know children across the school will have great memories of his time with them; in the classroom, supporting residentials and being a superstar member of the TASC team. We wish him every success in his new endeavours and will all miss him greatly.

Adopt a tree

We have already had lots of interest in 'adopting' a tree to be planted in our new orchard. Families, who decide to do this, will be given the opportunity to take part in planting and we will place a tag on each tree to show who planted it (or who it was planted for). The cost of sponsoring a tree will be £30, payable on ParentPay.

Help needed!

Geriant, our wonderful caretaker, has agreed to plan and build the two outdoor pergolas outside Year 1 and 2. We are looking for a few strong parents who may be free to help Geriant hold up pieces of wood when he is building the structures in the Easter holiday. If you can help, please could you contact Mrs Bolton - he will need help during the first week of the holidays on Tuesday, Wednesday and Thursday.

A quick note...

On Wednesday, the Y1 children really enjoyed a trip to Chirk Castle. Unfortunately, when they returned to school, they could not park the bus outside the school, as there were so many cars parked on the double and single yellow lines on the opposite side of the road. The coach had to park some distance from school and this made it very difficult for the children to walk safely to school.

Please help to keep the roads outside our school clear by parking away from the single and double yellow lines. Our Mini Police will be out with their tickets again next week, to keep our roads safe for families and the local community.

Village Mosaic

On Tuesday 19th March, Year 5 and 6 worked on the village mosaic to commemorate the coronation. If your family would like to add to the mosaic, there will also be a session running at the Barbour Institute on Sunday 24th March.
