

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 26th April, 2024

What a beautiful way to end the week, with blazing sunshine. The field has been mown this week and the children have been enjoying playing on the whole field today. We also had a visit from a local farmer, who kindly subsoiled the top area of the field for us, in readiness for the orchard and Forest school.

Mrs Roberts was a superstar and finished the marathon, on Sunday, in record time. She has asked me to tell you how grateful she is, to the amazing team of school marathon runners who supported her and raised £1610, bringing her total to £5043 for Type 1 diabetes! What an achievement and a massive thank you to all our school community for supporting Mrs Roberts and the children.

New Prickly Pupils...

We had some exciting footage of our prickly nocturnal friends this week. Richard, our landscape gardener, is hoping to release them on Monday and the Eco Team will be building them a special habitat pile.

Blue Tit News...

We have eggs! Our female Blue tit has laid an egg every day since Tuesday and now we have four in the nest. Watch this space for more news...

Parking Please can we remind parents that there are signs up next to school to indicate that parking is not permissible on single yellow lines before and after school. We will be sending out our Mini Cops again, next week, to check that cars are parking in the right places.

Wildflower plant- You may have noticed that an area has been created at the front of school for our wildflower meadow. A big thank you to Jenny and Fiona and the parents and children who attended on Saturday to help prepare the soil.

Have a super weekend,
 Mrs Bolton
