

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 16th May, 2024

What a busy two weeks we have had- your children have been absolutely amazing throughout- speaking confidently to the Ofsted inspectors, behaving impeccably and showing great consideration and support for Year 6 whilst they completed their SATS.

Yesterday, Year 6 completed their SATS and were very kindly given their leavers hoodies by the PTFA. We are super proud of them- they have shown great enthusiasm, resilience and

determination in every test. I would like to say a big thank you to all the parents, staff and the wider school community who have supported them so wonderfully on their SATS journey this year - and throughout their school journey. It certainly looked like they had a great celebration this afternoon with their water fight!

The staff have worked so hard over the past two weeks and we all appreciate the kind words and support our family community have shown us during this time. We hope to share our Ofsted report with you soon.

New Prickly Pupils

Our new prickly pupils have been named- 'Sonic and Coco' and have been released into the grounds. We have placed a hedgehog box in the new orchard area and have set up a feeding station.

Mini Cops

The Mini Cops have been out again this week to using speed cameras with Rachael McKeivitt, our PCSO. The Mini Cops were shocked to find that some cars were travelling at 34 mph in at 20mph zone outside our school! Next steps, will be to install a 'hedgehog crossing' sign on the road to protect Sonic and Coco!

Village Coronation Mosaic

On Bank Holiday Monday, the village unveiled the mosaic that the Y5 children had designed and worked on with Lindsay Kennedy, a mosaic artist. It looks spectacular and can be found on the wall next to the SPAR,

School dinners

Please could we remind you to book school dinners via the app at home, as this makes it much easier for the kitchen to plan food orders and saves time for the staff taking the register in the morning.

Blue Tit News

Our baby blue tits hatched last Sunday and the parents have been flying back and to feeding their hungry children! We will post video footage every few days on Instagram. Hi Impact have been helping us to stream footage into the hall, so that we can watch them at lunchtime.

Update for next week- Health Week

Next week, we will be celebrating our annual health week. The week is always such a celebration of our school. Children are asked to wear active wear each day. Each day has a different focus and is structured as follows:

Monday- Alternative Sports Day (Children must wear active clothing/ sports wear with trainers- they do not have to wear their PE Kit).

Tuesday- Sports Day (Children must wear their house colour t-shirt with their usual PE bottoms).

Wednesday- Inter-sports competitions. (Children can choose to wear active wear/ PE kits).

Thursday- Social, emotional and mental health (Active wear/ PE kits to be worn).

Friday- This is the non-uniform day for PTFA in support of tombola and raffle donations for the Summer Fayre.
