

# TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 21st June, 2024

We have had another busy week of sports in the sunshine! Year 6 had a great win in the cricket tournament yesterday and on Monday, we had a fabulous time at District sports. For some children, this was the very first time they had ever competed and we were so proud of all the children's effort and determination. We had some super medals winners too! Thank you again to our wonderful parents who provided transport and to our staff who accompanied the

children at the event- as I said last week we really couldn't participate in so many events if it wasn't for this amazing level of support from staff and parents.

## Summer Fayre

Just to take this opportunity to thank everyone- PTFA, parents, staff, children and the local community who were involved in organising, preparing and running the Summer Fayre. There is a PTFA newsletter at the end of this newsletter- but on behalf of the school staff and children, I wanted to personally thank everyone involved - the money raised will make such a difference to the experiences we can provide for the children at school and I cannot thank everyone enough for your support.

## Goalpost Biking Challenge

A group of our pupils are raising money to buy new goalposts. This weekend, they are cycling from Tattenhall to Bunbury and back (the equivalent of half a marathon)- what an amazing challenge! They have asked if I can share their fundraising page here- [Crowdfunding to Help fund 2 football static goals. on JustGiving](#). We wish them all the best of luck.

Have a super weekend in the sunshine. Mrs Bolton

The poster features a light blue background with a decorative banner of colorful triangles at the top. The main title 'TATTENHALL PARK PRIMARY PTFA SUMMER FAYRE' is displayed in a green and yellow box with a balloon and clouds. To the right, the words 'Thank You' are written in a large, teal, cursive font. The central text expresses gratitude to the community and lists sponsors. A list of contributors is provided, followed by a large orange-bordered circle containing the text 'In total, we raised over £2170 beating our previous total.' Below this, a paragraph explains that the funds will be used for school initiatives. The poster is decorated with several circular inset photos showing children with face paint, a raffle table, a police car, and various fair activities.
