

# TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 5th July, 2024

Here is a round-up of the week's events- my goodness it has been a busy one!

## Year 6 Camp Over

Year 6 Camp Over, last Friday, was a great success- thank you to; all the parents who helped

with the set up and take down of tents, Miss Comish and Mrs Roberts for all their super organisation and to our amazing staff team for supporting the event, sleeping over during the evening and making the tastiest breakfast the following morning. Year 6 were brilliantly behaved and a great time was had by all.

## Sporting events

Year 3, 4 and 5 had a super time at Tri Golf- according to one child it was - the best trip ever! Thank you to staff who organised the event and to all our parents who provided transport.

As a result of all the amazing sport that has taken place over the past year- we are delighted to

announce that we have been awarded School Games Gold for the 5<sup>th</sup> year on the run!

## Opening of the Village Art Trail and 'The Wildery'

Thank you to all of the families who supported the opening of 'The Wildery' and the Tattenhall Village 'Green' Art Trail on Tuesday night. It was lovely to see so many people there and to be able to thank; the Parish Council, Transition Tattenhall, the PTFA, Lower Moss Wildlife Sanctuary, Richard, our landscaper and Fiona and Jenny our gardening angels, for all their support with the development of our Wildery area. We also hosted several local eco organisations who were keen to share ideas and tips about looking after our local area. During the event, we were also able to introduce 'Crispy' our new recycling fish to the children. He was so enormous,

that we couldn't fit him in the car when we tried to collect him before the event. Two of our amazing parents came to the rescue and drove all the way to Ruthin in their van to rescue him and save the day- we are so thankful for their support!

We were very grateful to the many local artists in the village who attended the event - the children had lots of amazing opportunities to explore different art media and we were proud to display the Y6 biodiversity banners. We will be putting some of these up in the windows of school next week.

The Wildery is now open for the children to enjoy and we will be planning sessions across the curriculum to use it next year. Pop into the yard and have a look- the entrance was created by Mr Williams, our very talented site manager, and is a thing of great beauty.

Tattenhall Village 'Green' art trail maps are available from most public venues- Post Office, Library and the Village Market at the Flacca. Art works will remain in place for the summer ending on August 31st.

Tattenhall PTFA announces...

# BREAK the RULES DAY

HERE'S HOW YOU COULD BREAK THE RULES
