

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 19th July, 2024

What a whirlwind end to the term! The whole school has been a hive of activity and the children and staff have had a wonderful time enjoying their last week in the sunshine.

Today, we said our final goodbye to Year 6 and watched them proudly walk, for the very last time, through the Tattenhall Park Primary school gate- cheered by family and friends. During the week, we have watched them perform 'The Mystery of Magpie Manor' - a spectacular performance, which showed we have some future thespians in our midst!

Yesterday, during the Leavers' service, we shared an emotional journey of photographs through their primary school years and their hopes for the future. Their buddies in Acorns shared a poem about an acorn growing into an oak, which was beyond gorgeous to listen to! It is always an emotional time when a Year 6 class leave, but we know each and every one of them is ready to take the next step to high school and we hope they will come back and share their adventures with us.

We were also very sad to say goodbye to Mr Robinson, Miss Blythin, Mrs S and Mrs Barlow today. We are so grateful for all support and encouragement they have given to our children and the many times they have gone above and beyond for the school. We wish them every success in the future and will miss them very much.

I can't quite believe how quickly the last six months has passed. I feel very blessed to be your headteacher and have loved every minute. Your wonderful children have been absolutely fabulous to teach and I could not ask for a better team of staff to work with- they amaze me every day. On behalf of all the staff, I would like to thank you all for your tremendous support this year- we treasure our relationships with our families and local community and could not do all the things we do without you!

Wishing you all a very happy summer holiday

Mrs Bolton

PS Sonic and Coco are thriving - hoping we might have some hoglets later this year!
