

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 13th September, 2024

We've had a busy (and rather rainy) first week back -the children have worked their socks off and there were definitely some weary faces on the way home today! In Celebration Assembly today, we presented 'values' certificates for friendship and it was really lovely to hear about all the kind and thoughtful things children had been doing for their friends around school. It was also the first time Acorns (Reception) had come to assembly and their behaviour was impeccable!

Gardening Club started this week and they have planted up some beautiful pallets to be attached to the fences. If any families have pallets in good condition, we would be very grateful if they donated them to school for projects we have planned.

Picture News

Every Tuesday Miss Comish sends out the latest Picture News for class assembly. This week, the topic of conversation was- '**How do we respond to unexpected events?**'. The children learn about the two astronauts who are stuck in space and discussed how they might be feeling. You can find out more

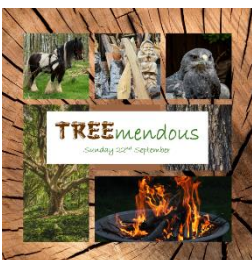

here- [Sunita Williams and Barry Wilmore: Nasa astronauts stuck in space will return in 2025 - BBC News](#)

The topic definitely stimulated a lot of interest across the school! If your child is interested in spotting the ISS (International Space Station) in the sky- it orbits the UK 16 times a day! You can install an app, showing where the ISS is here: [Spot The Station | NASA](#)

ASDA Cashpot for Schools- Can you help?

Between 2nd September and 30th November 2024, every time you shop with Asda using their Rewards app, you can choose Tattenhall Park Primary School to receive a percentage of your spend. In addition, every time you choose our school, Asda will donate £1 to our school's Cashpot. You will need to download the app to take part.

This looks interesting! **Cholmondeley Castle Gardens** are holding a Treemendous Festival on Sunday 22nd September, which is a celebration of nature and the majestic beauty of trees. [TREEmendous Festival – Cholmondeley Castle Gardens](#)

Have a lovely weekend, Mrs Bolton
