

# TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 11th October, 2024

What a wonderful surprise we had last weekend! Father Lameck, from St. Alban's Church, asked whether we could host the choir for the Zimbabwe National Anglican Gospel Music competition. Prior to the service, the grounds were filled with beautiful singing from choirs across the country practising. We watched some of the performances on video in our assembly on Monday and Miss Holland was so inspired she said that choir are going to try singing some gospel songs too!

## Be Bright, Be Seen..

Our two new, super keen, Year 6 Road Safety officers, have relaunched our Road Safety work with a 'Be Bright, Be Seen' competition. They have great plans to restart the 'Mini Cops' to reduce parking outside school with our local PCSO and are investigating creating special hedgehog crossing signs for the road outside school.

## Tyres 'N' Tubes!

We have been kindly donated some tyres from 'Tyres 'N' Tubes in Malpas for our playground. Thank you to Mrs Tomlinson and her husband, who spent ages jetwashing mud from the tyres in the pouring rain- they look like new now! Over half term, we will be filling the tyres with bark chippings to create areas for small world play and developing the wood chip link footpath to the Wildery.

## Mayan investigations...

Silver Birch had a super visit on Tuesday from a Mayan specialist, who held an excellent 'hands on' session investigating Mayan artefacts. The children were brimming with information afterwards!

Please read the following flyers from our wonderful PTFA.

Have a beautiful autumnal weekend, Mrs Bolton
