

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 28th February, 2025

It has been so hard to choose which photos to include this week! As you know, over the past few days, we have been making our film- 'Our Village, Our Future', based on the timeline of the historical periods we study at school. This film will be shown as part of our 55th birthday celebrations. We don't want to give too much away about the contents- but here are just a few photographs of our filming with Impossible Arts. Thank you to the many friends and families who came to support the 'Giant Tattenhall Wave' - it was just wonderful to see!

Curriculum enhancement...

This week, Year 6, were visited by Andy Barton, a senior solicitor, who delivered a fascinating presentation about the legal system and laws in Modern England. This was a brilliant way for the children to consolidate their learning about Crime and Punishment

Puddle heroes!

Mr Williams and Martin Chalk have been working hard over the holidays to install a pump under the ground to drain the enormous puddles that keep forming outside the gates. It rained all night on Sunday and there wasn't a drop to be seen on Monday!

Meeting with Ex- Headteacher

David Cummings, an ex-headteacher of Tattenhall Park visited to meet the children and to share a book he wrote about pottery whilst working at TPPS. He was also kind enough to record the opening voiceover of our film and had so many fascinating memories of the early days of Tattenhall Park School. We will be inviting him back soon to do a talk to parents too!

Have a wonderful weekend,
Mrs Bolton
