

TATTENHALL PARK PRIMARY SCHOOL

Dear Tattenhall Park families,

Friday 14th March, 2025

SUPER STEM WEEK

We have had an amazing STEM week this week. Year 6 launched the week, with a day of fascinating 'hands on' experiments for all the school in TASC. We made a giant electric circuit with every child in assembly using an energy stick and thoroughly enjoyed watching an experiment to make elephant toothpaste! Despite two attempts to immerse Mr Williams in a giant bubble, to celebrate his 'special birthday', we are still working on finding the magic formula to make a bubble tall enough! If any families have any effective giant bubble mixture recipes, please let us know.

We are so proud of the children who represented us at the Heber Science Fair on Monday. This year's STEM theme was 'Change and Adapt'. The children's entries were fascinating and have given us lots of great ideas of ways in which we can scientifically improve our school.

We had three Year 5 ladies who came; 1st, 2nd and 3rd and a group of Year 3 ladies who came 1st. The whole school had an opportunity to learn more about the projects on Friday afternoon. A big thank you to all the staff who organised activities, equipment and events this week - they have all worked so hard to make a really memorable week.

Sporting highlights...

Well done to our Handball team for competing at Heber this week. This is a growing sport in the UK and it is exciting to be developing handball in our school. A big thank you to Mrs Gibson and Miss Comish for organising and coaching the team. It was lovely for Mr Dunbobbin, our new Early Years Assistant, to support the coaching this week- he has represented England for Handball and has great expertise.

A gentle reminder... Please can you order hot meals before the school day starts. This helps our teachers to start the day promptly and Leanne, our school cook, can plan her meals more efficiently. We are currently finding that a majority of children are ordering during registration and this can impact on learning time at the start of the day.

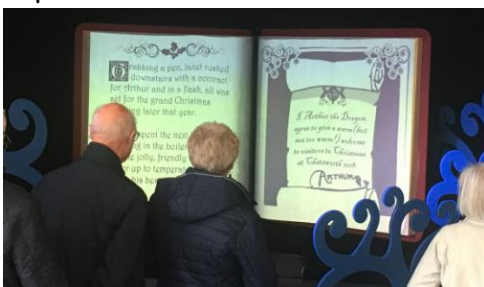

Dates for Spring Term

- 20th March- 6.45pm (Gates open from 6.30pm) official showing of 'Our Village, Our Future', on outdoor screen in school grounds- all members of the community welcome.
- 21st March- Comic Relief- '80s'
- 26th - 28th March Year 4 Residential Trip
- 28th March - Spring Bingo
- 1st April 1.30pm- 2.30pm Easter Performance -Year 3 & 4
- 2nd April 9.30am-10.30am Easter Performance - Year 3 & 4
- 1st, 2nd/ 3rd April- Parents' Evening
- 4th April - School closes for Easter Holidays

Our Village, Our Future Film Night

Our exciting film will be shown on **Thursday 20th March at 6.45pm** in the school yard, on a giant outdoor screen, by Impossible Arts. We will begin with singing 'The Tattenhall Time Machine' together with the Tattenhall Singers and the film will start at approximately 7pm. It will last for 25 minutes and will then be repeated at 7.30pm. Entrance will be via the gate by the library.

Please note, parking will be very difficult, so please walk if possible. There will be refreshments on sale and also

some stalls run by local organisations, who are keen to meet and greet our school and village community to share their work.

You are invited to...

'Our Village, Our Future'

Thursday 20th March
6.45pm
Tattenhall Park Primary

A film by Tattenhall Park Primary and the community of Tattenhall Village - exploring the amazing history and biodiversity of our beautiful village.

EASTER EGG COLOURING COMPETITION

At St Alban's Church

Have fun colouring/decorating (or designing your own) Easter Egg.

Cut it out and add a hanging string and bring it to church on Easter Sunday (April 20th).

Add it to our Easter Tree and receive a chocolate egg.
